# WELCOME!

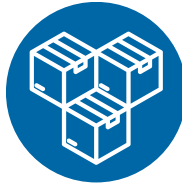

A lot has changed over the years, but our commitment to the safety service has not. We truly value our relationship with you, appreciate the trust that you've placed in us and thank you for the opportunity to serve you.

We hope you enjoy shopping our newest catalog, designed for professional safety solutions. This catalog features a collection of products selected from customer favorites, best sellers, and highest rated products. We stock samples for most of these items in our warehouse to offer immediate when requested. Can't find what you're looking for? Call us on the provided phone number or contact us on the provided email.

We thank you for the trust you've placed in us in the past, and welcome you if you're a new customer. If we have not exceeded your expectations, I'll consider it a personal favor if you let me know.

Sincerely,

## NEW PRODUCTS

We listen. Based in part on your feedback, we've added a lot of innovative new products to this catalog - quality products from the name brands that you trust, and innovative items from new partners.

If there is a product that you need and can't locate it in this catalog, please contact any of our customer service experts to assist you.

## LOW PRICE GUARANTEE

Our employees have a passion for this business and it shows in our commitment to your complete satisfaction. It is also reflected in our Low Price Guarantee. If you can find it anywhere for less, let us know and we'll match the price.

Bi-Power offers the equipment you need at affordable pricing. Ask about our volume discounts and our municipal leasing options.
